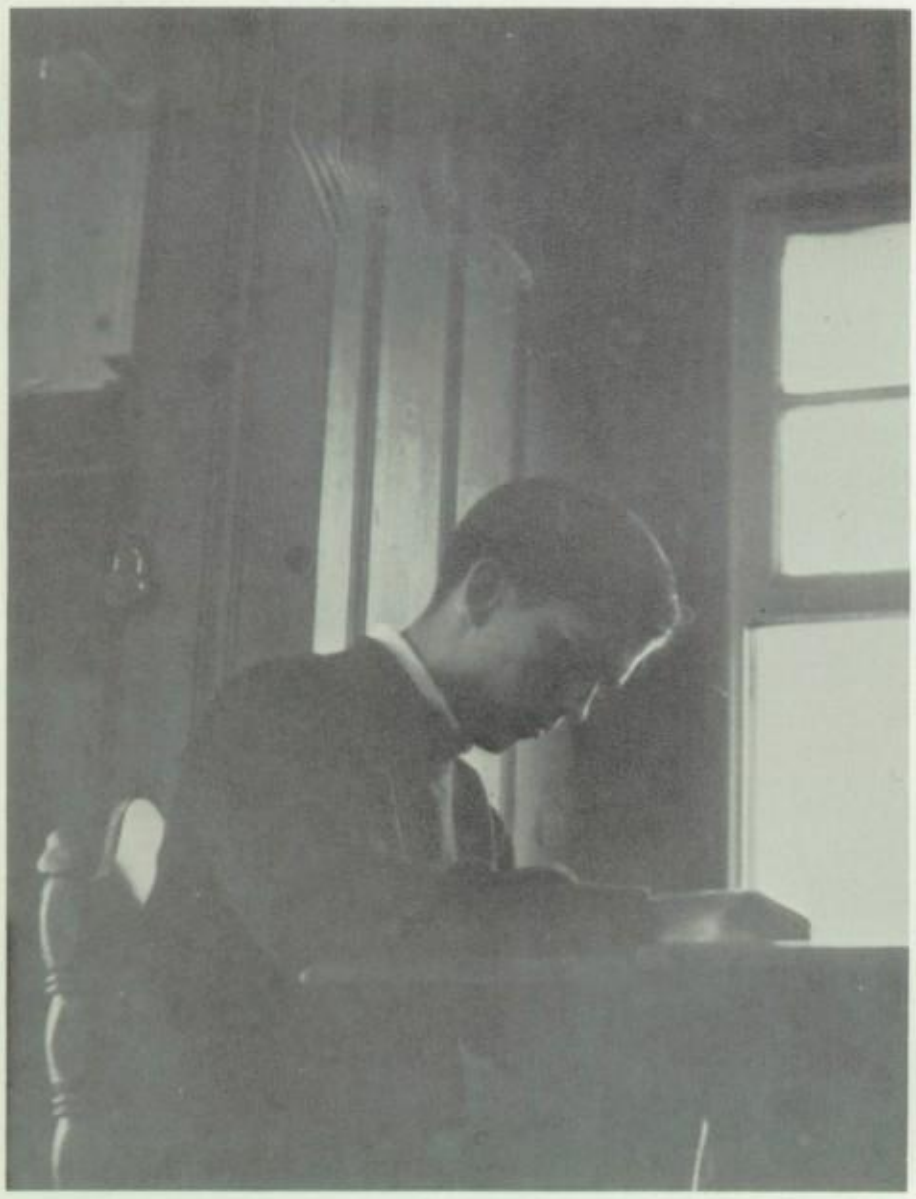
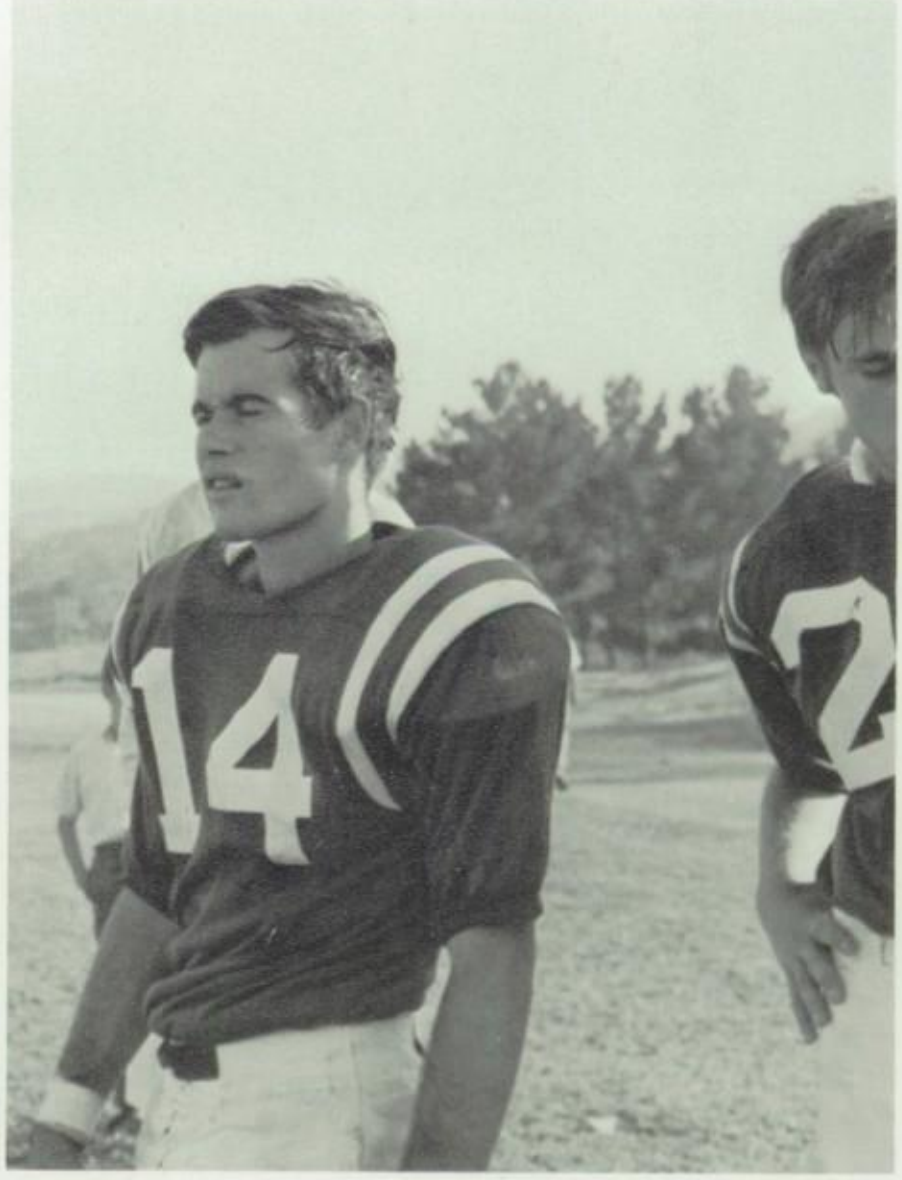
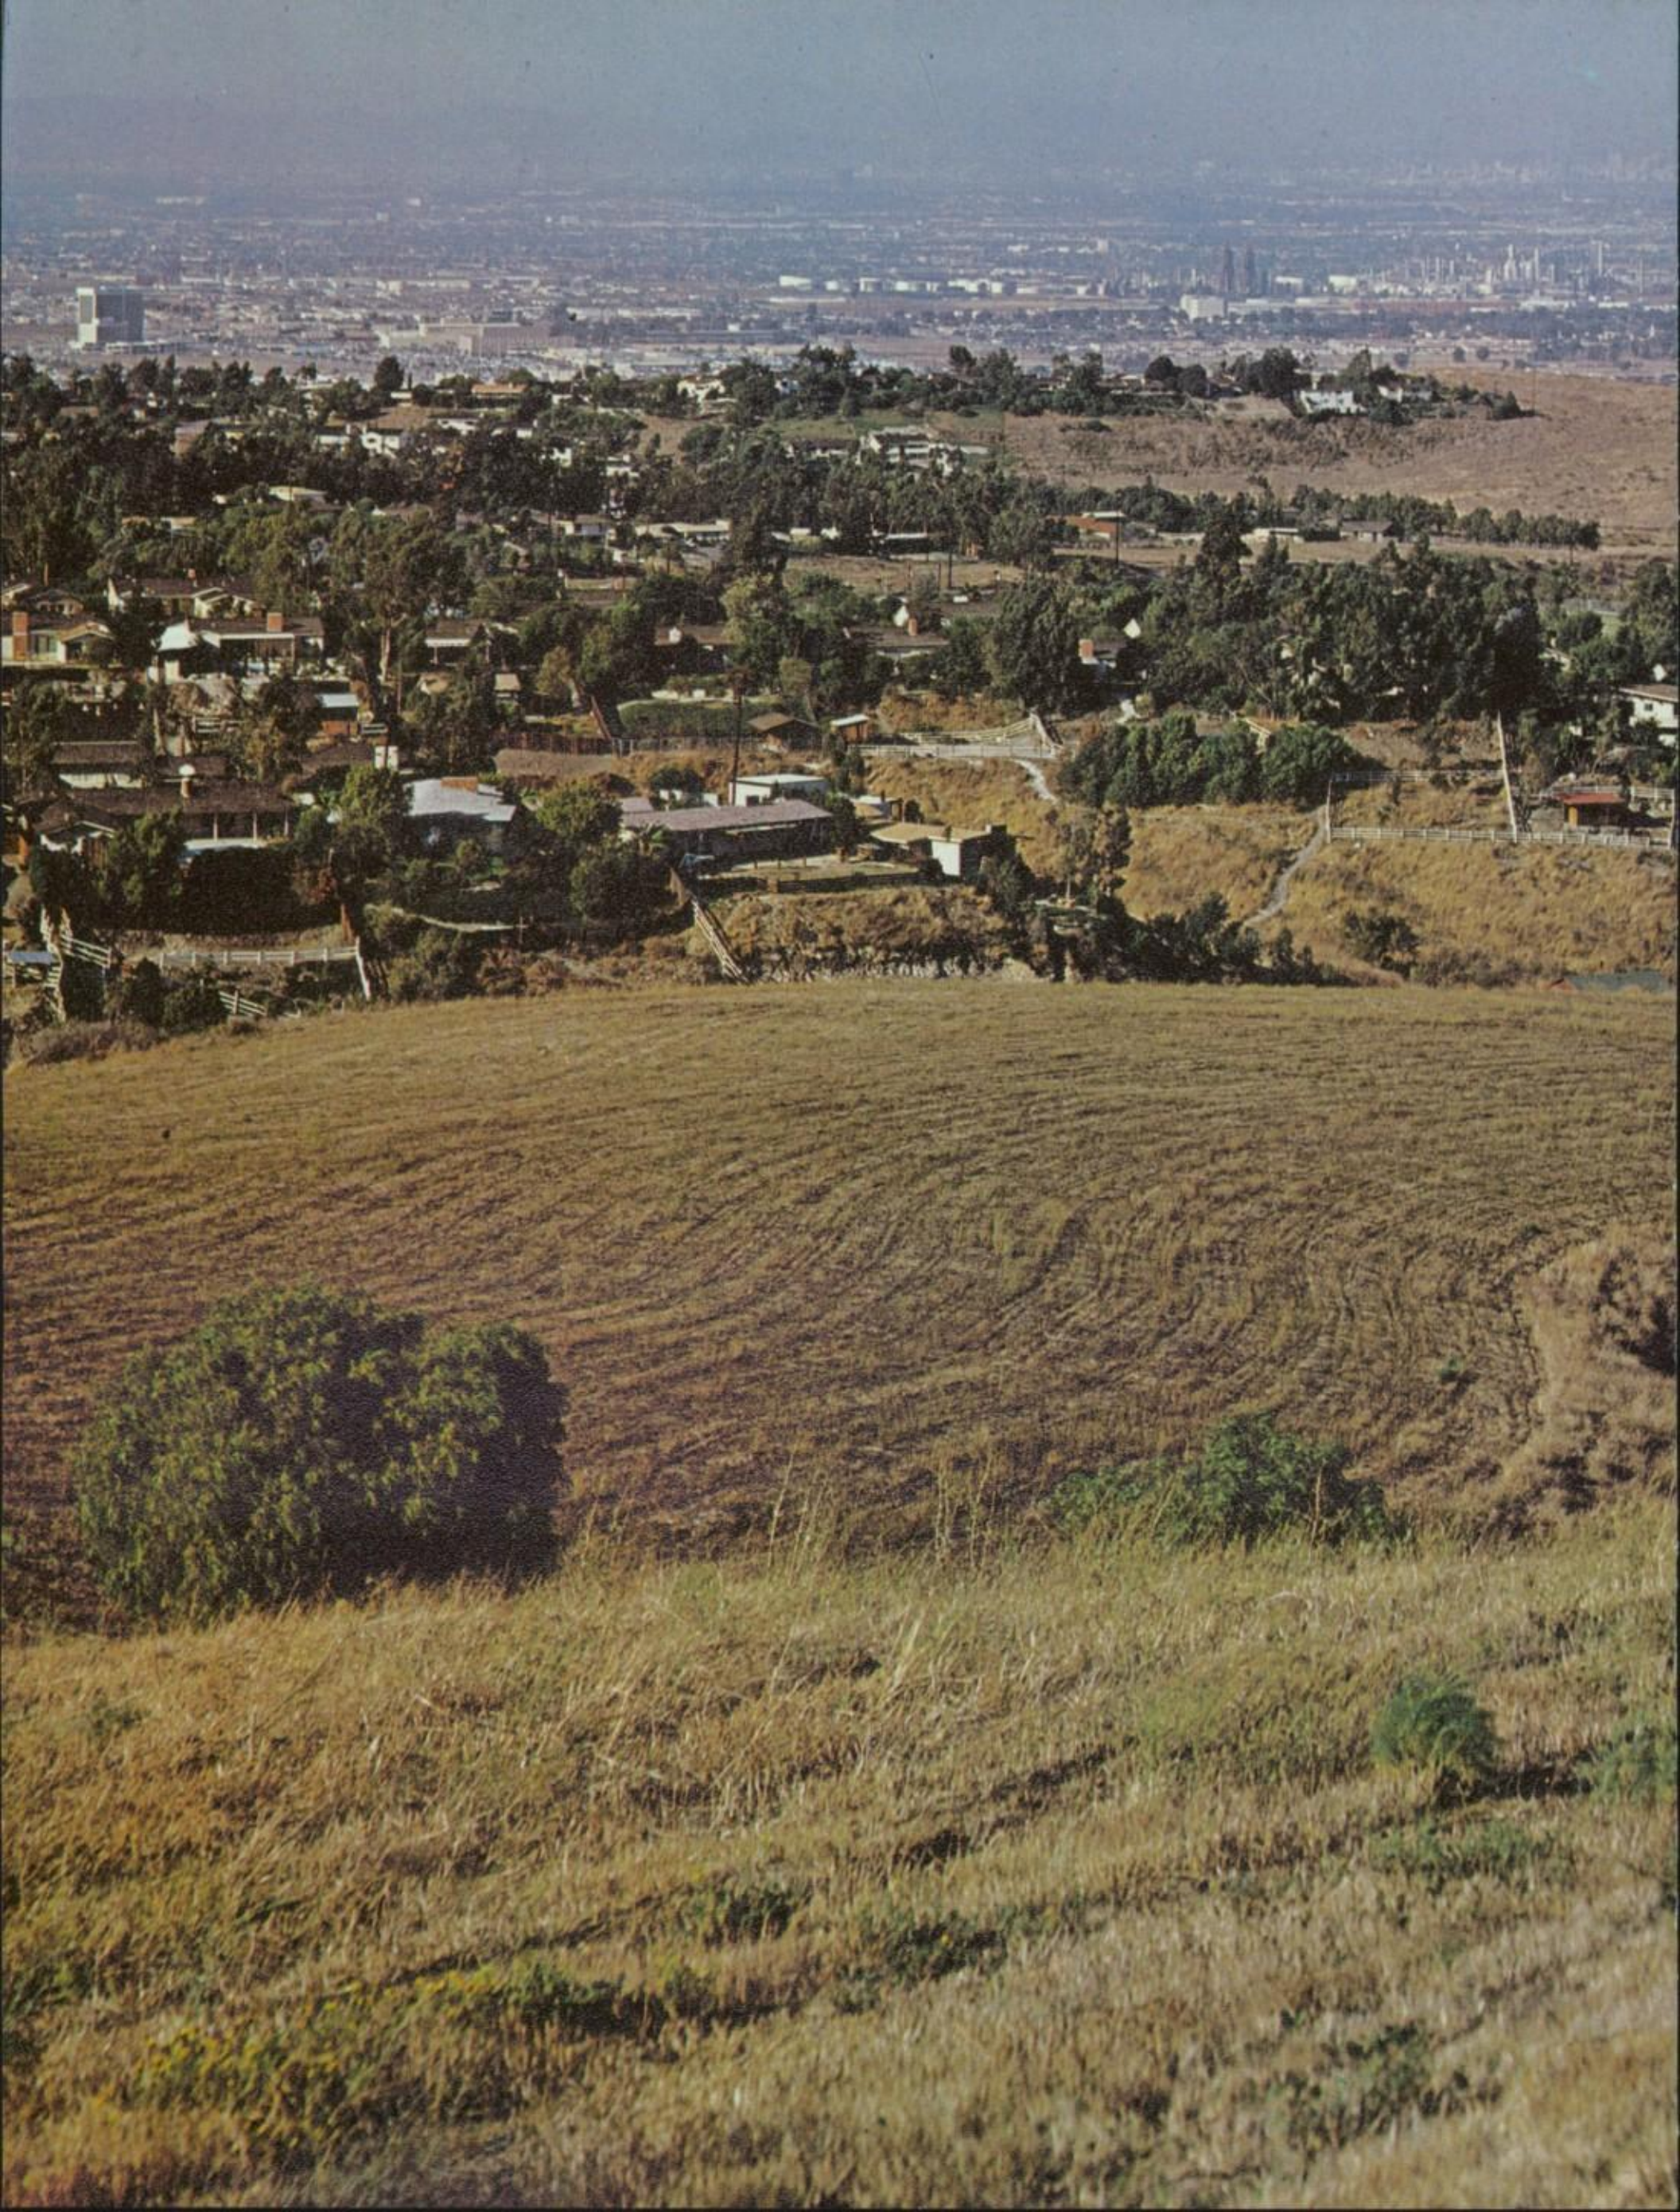
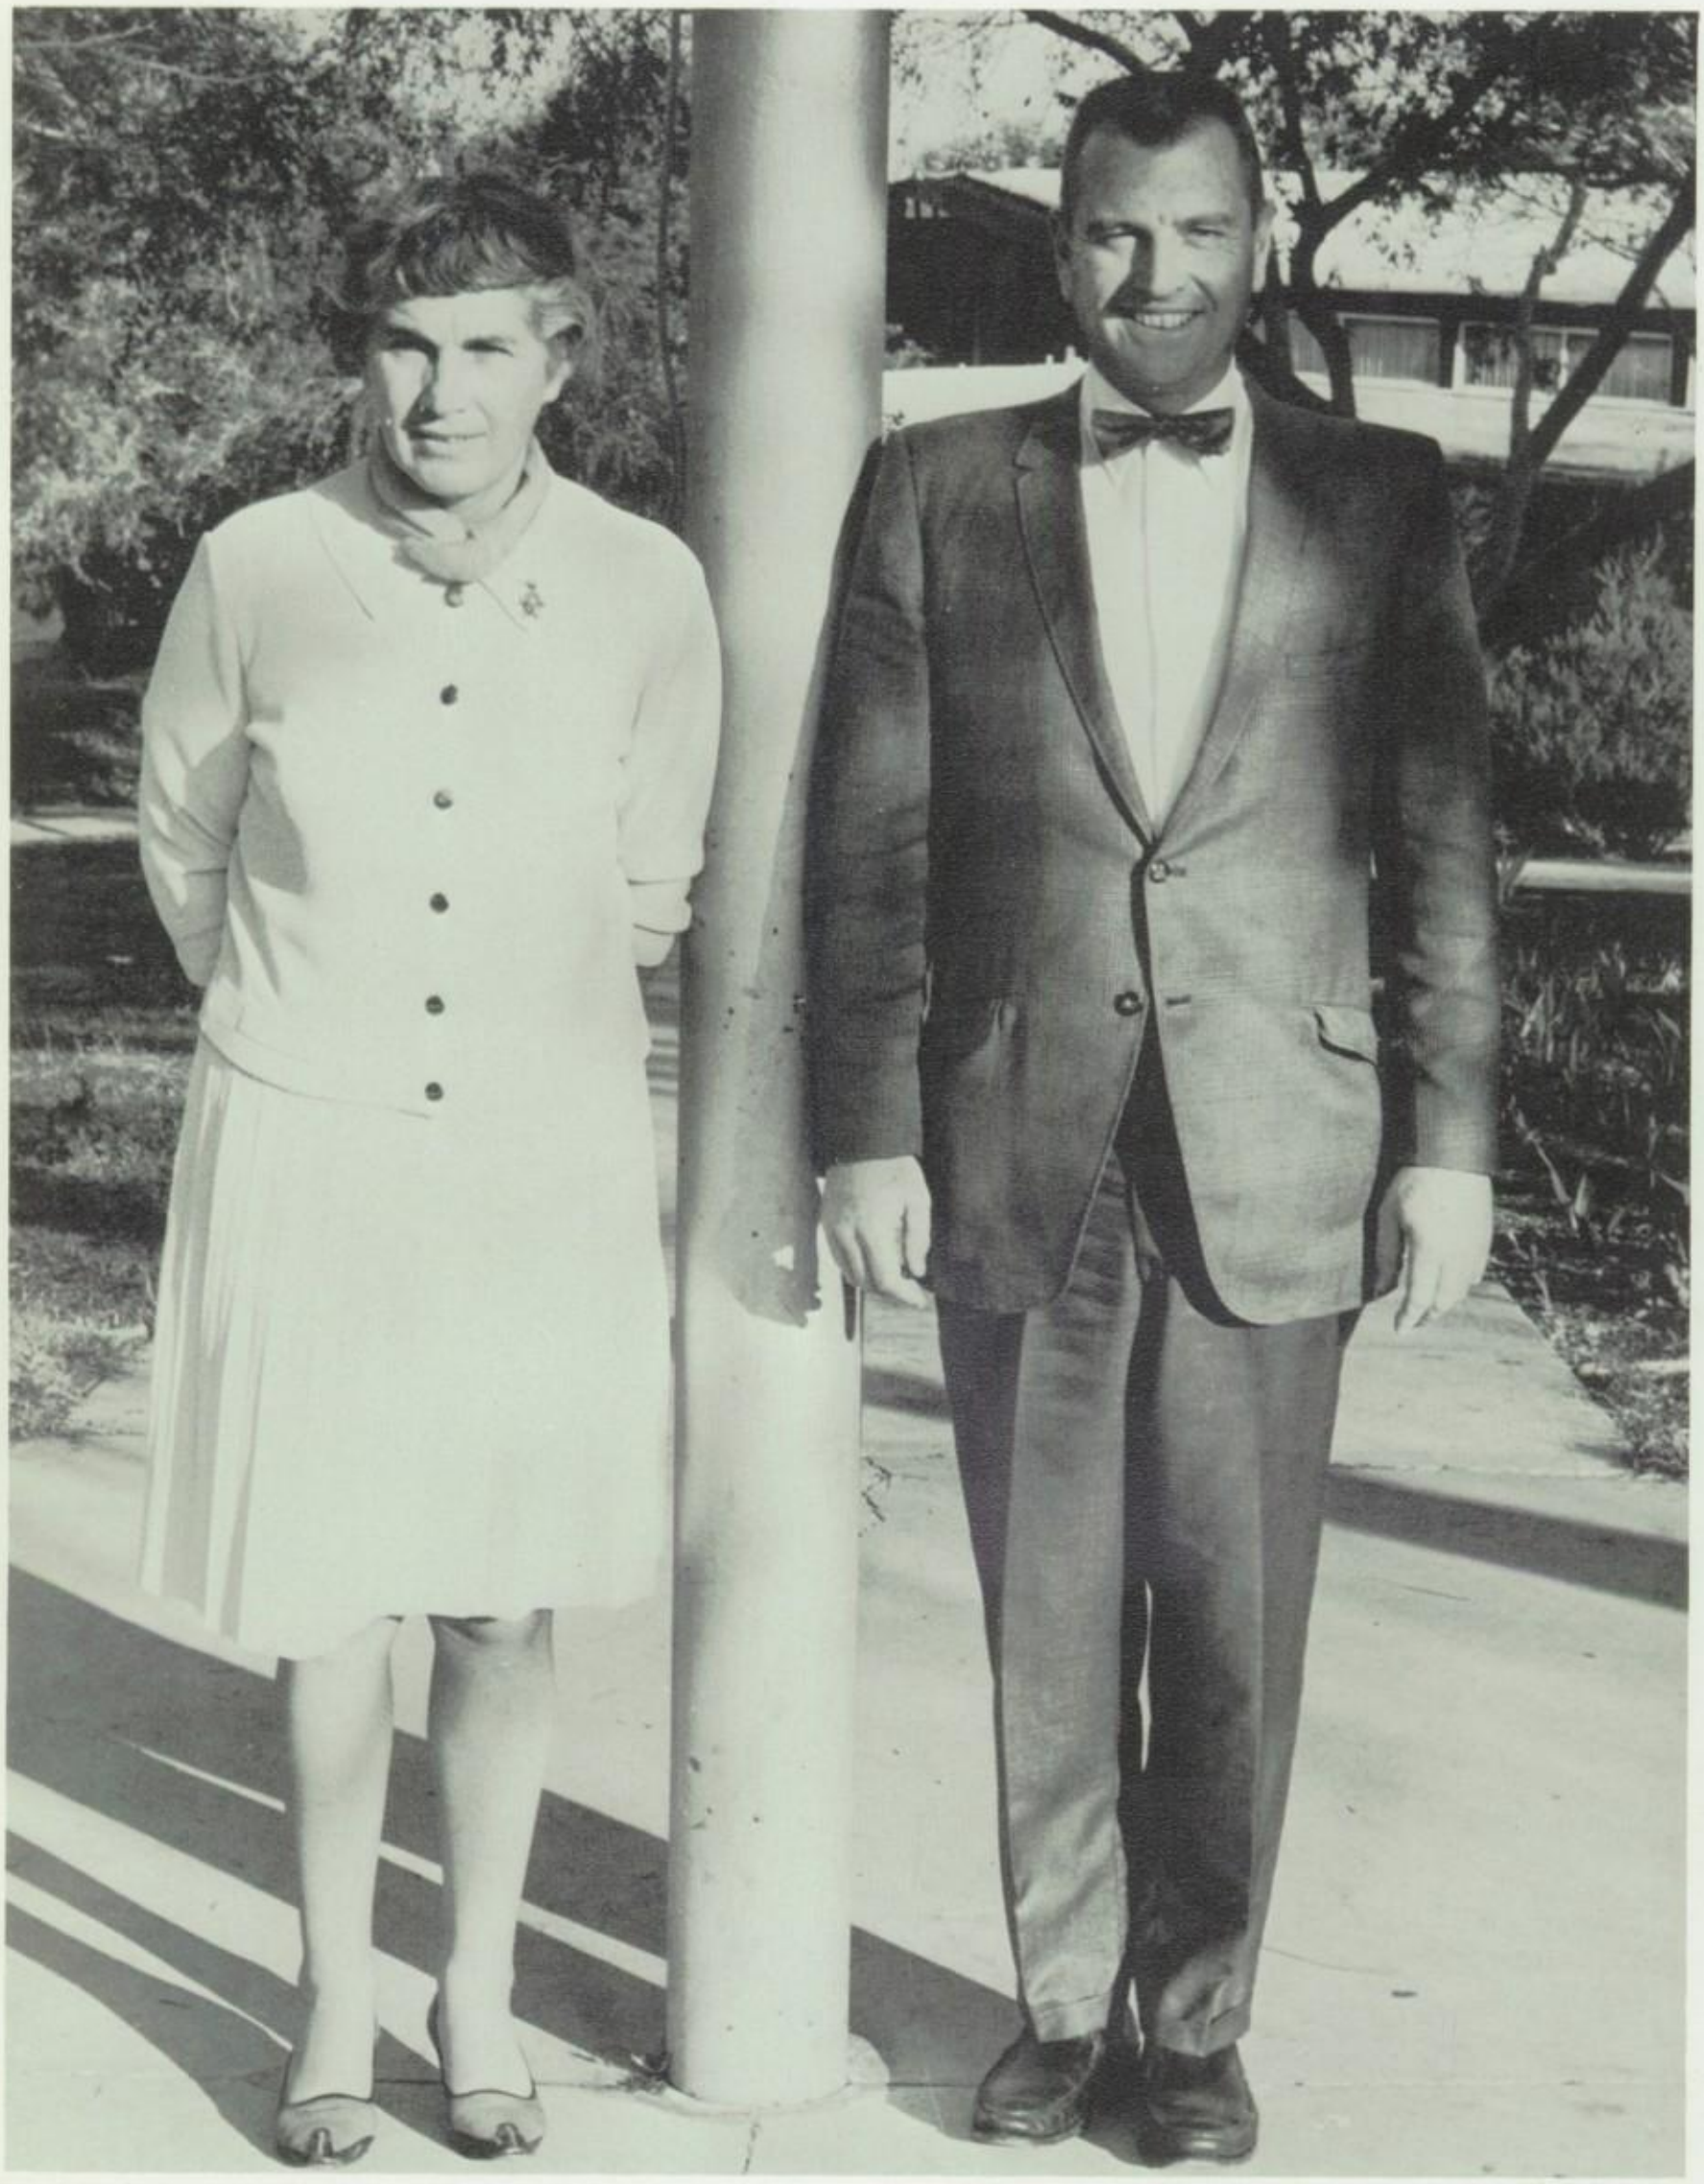
In Memoriam









Dedication

There was united a rare combination of forces: one of uncompromising awareness of the way things are; the other having an unwavering desire to get things right. Two very different yet complementary individuals took their understanding of Chadwick School and led it through a year, which, at its beginning, offered only insecurity. When the task was completed, where there had been uncertainty as to the existence of the school, this man and woman have instilled a just faith that, as it grows, this institution shall always pursue its desire for excellence in education and its concern for the complete individual.

With the deepest sense of respect and admiration we can express, the students of Chadwick School dedicate this book to Miss "Gin" Chadwick and Mr. "P. G." Lee.

Special Recognition

The keeper of Senior Lounge West, he is always ready with a bit of Wentworthian advice. His undaunted courage in the face of seniors let loose upon his office is to be applauded. The Senior Class of 1968 has much for which to thank him, as does Chadwick School as a whole. His "shadey" presence next year will be missed by students and faculty alike. We of the Senior Class of 1968 would like to make this special recognition of Uncle Jack, for all he has done for us.

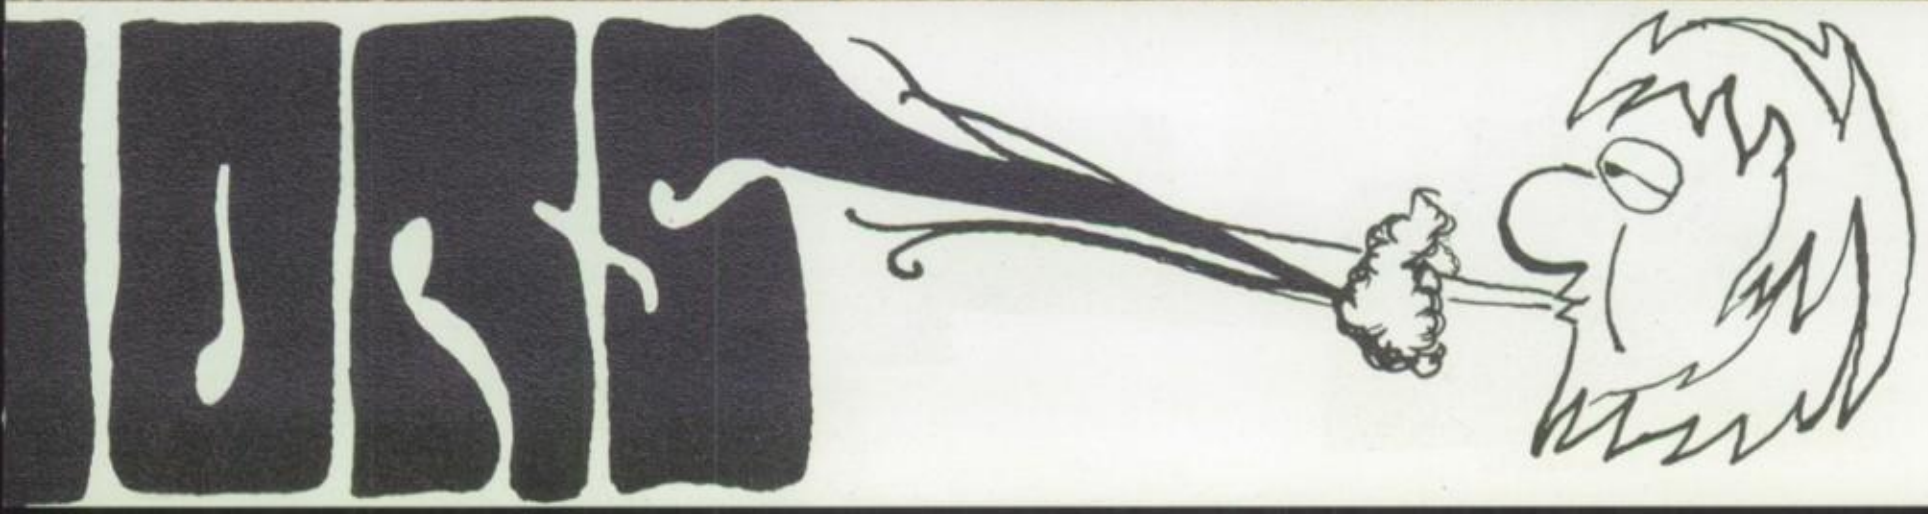
SENI



With her sincere attitude toward teaching, she has given us an incentive for learning. For her unlimited courage and endurance through the "DOLPHIN" deadlines and for her personal interest in all of us, we thank,

Mrs. Palmquist

Though we seldom "minded our P's and Q's" the conditioning and knowledge he gave us shall forever be reflected in future tasks with which we are confronted. With "Minds Like A Fish" we sincerely appreciate,

Mr. Gibson

For her unbounding willingness and patience while dealing with our numerous requests; Her bright smile and ceaseless understanding, we thank,

Mrs. Weller

Our thanks are extended to Mr. Klevos, who has prepared us for the future by making us endure part of what he went through in his college years: Also, for his youth inspired teaching enthusiasm. As he would say, "It must be nice," and it has been extremely nice.

All the strength and wisdom a child could need, steady and fair, making a Freshman year bearable, "Danny" is always there.

We thank

Miss Daniels

For being a friend, for her patience with our problems, for her Eastern expressions and for her good nature, we thank

Miss (Photoglue) Hancock

For his guidance and raw courage in handling the male half of the famous gym, we thank,

Ulysses Grant Smith..

Recall the Past

As the sound of rushing water
passed through my ears and fell upon
the barely blossomed flowers that surrounded
my thoughts, I caressed my mind for
recollections of the past. Thinking of my
classmates, separately at times, and how
each would turn their own path, in
different directions, though unified in birth.
A birth of love, friendship, sorrow, desire,
all invested in each of us as we left
our homeland. . .Chadwick.

Sasi

In my year as an American Field Service student, Chadwick is an important part. I think that the real achievement of this experience is to get a clear and deep adaption to the American way and become for one year a true "american". Thus I can compare and see objectively my Argentinian life to form my personality and future in the best possible way.

The young people are a fundamental group in the modern society. In Chadwick I am living and studying as part of that youth. I can see the feelings of the new generation, their ideas, principles and ideals. All these experiences are fundamental for me and my future.

In my way of thinking one foreign student must not observe a country from the materialist or physical point of view. The studio and the relations with the peoples of that country are the true matters of study. Thus I am impressed for two essential facts of the Americans: responsibility and individualism. If I would have to describe America, I would use only those two qualities.

I like Chadwick and its people very much as a wonderful experience that I am living and feeling. I want to finish this short paragraph with the motto of AFS, more than a simple declaration, but a true wish:

Caminemos juntos
Hablemos juntos
Todos nosotros personas de la tierra, entonces y solo entonces, nosotros tendremos la paz.

homecoming day

This year's Homecoming began with a pre-game ceremony in memory of Alan Matthews, the first Chadwick alumni to die in Viet Nam. A four man Marine honor guard marched upon the track as the National Anthem was sung and the flag was raised. Then Mr. Paul G. Lee, co-director, introduced Major Seed, who represented the United States Marine Corps, at the ceremony which unveiled the Alan Matthews Scoreboard.

Matthews was killed in Viet Nam on September 2, 1967 while serving with part of the Headquarters Battery, 4th Battalion, 11th Marine Division in the Da Nang sector. He had left Cal Western after his freshman year to join the Marines where he became an electronics specialist. In his memory the Alan Matthews Memorial Fund was established at Chadwick which bought the new scoreboard.

The Homecoming game with Poly, was in every way one of the most exciting games Chadwick has ever played. Up until the third quarter, it seemed as though Chadwick would be defeated for at the end of the third quarter the score stood at 20-6 in favor of Poly. However in the fourth quarter the offense came alive and the score changed by two touchdowns followed by a spectacular third touchdown pass by Hobby Coale in the last seconds of the game, winning the game for Chadwick 25-20.

During the halftime the Homecoming Queen and her court arrived. The crowning of the Queen Jane Storm and the two princesses, Tina Shidler and Wendy Morrell, culminated the halftime activities.

Football for Chadwick this year, on the whole, was a great success.

On the varsity team size was lacking, but a good exhibition of basic fundamentals helped bring a winning season for Coach U.G. Smith.

To pick a star from the squad would be impossible because it was a team effort all the way, especially on the defense, the pride of the whole Prep league.

The highlight of the season was the team's homecoming victory over Polytechnic (Pasadena), when, with seconds left on the clock, Hobby Coale threw a touchdown strike to center Cary Brokaw for the winning score.

Hobby Coale and Bruce McPhun were elected to the all-Prep league team. The Coach's award went to co-captain Lyman Ho for his effort throughout the season. And finally, Holland awards went to Hobby Coale on offense and Rick Moore on defense.

FRONT, left to right: Doug Nance, Hobby Coale, Paul Stricklin, John Caughey, Brad Evans. SECOND ROW: Bob Morrison, Murray Francy, Rick Moore, John Mahan, John Newman, Stan Lim, Lyman Ho. THIRD ROW: Coach Smith, Cary Brokaw, Chuck Lande, Bruce McPhun, Lenny Major, A.C. DuPont, Matt Disston, Todd Dennen.

Varsity Football

Junior Varsity football was made up mostly of freshmen and sophomores but nothing was lacking as they enjoyed an undefeated season and the prestige of being one of the better J.V. six man football teams in Southern California.

Every opponent that faced this squad was completely demoralized by a very efficient offense and an equally tough and stingy defense.

On offense, stars Bruce Sartorius, Dezri Smith, and Chris Coale, led them to victories that sometimes totalled into the seventies.

On defense, like the varsity, it was a team effort and not many teams enjoyed the satisfaction of scoring a touchdown.

All these boys will be back with Chadwick next year, some will move up to varsity to help it gain a league title and some will stay on the J.V. squad and help them repeat this year's performance.

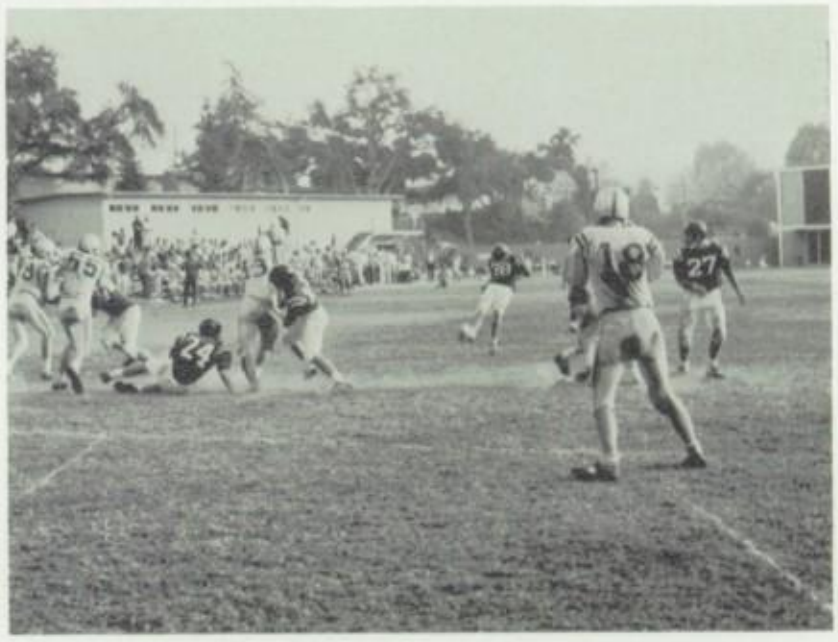
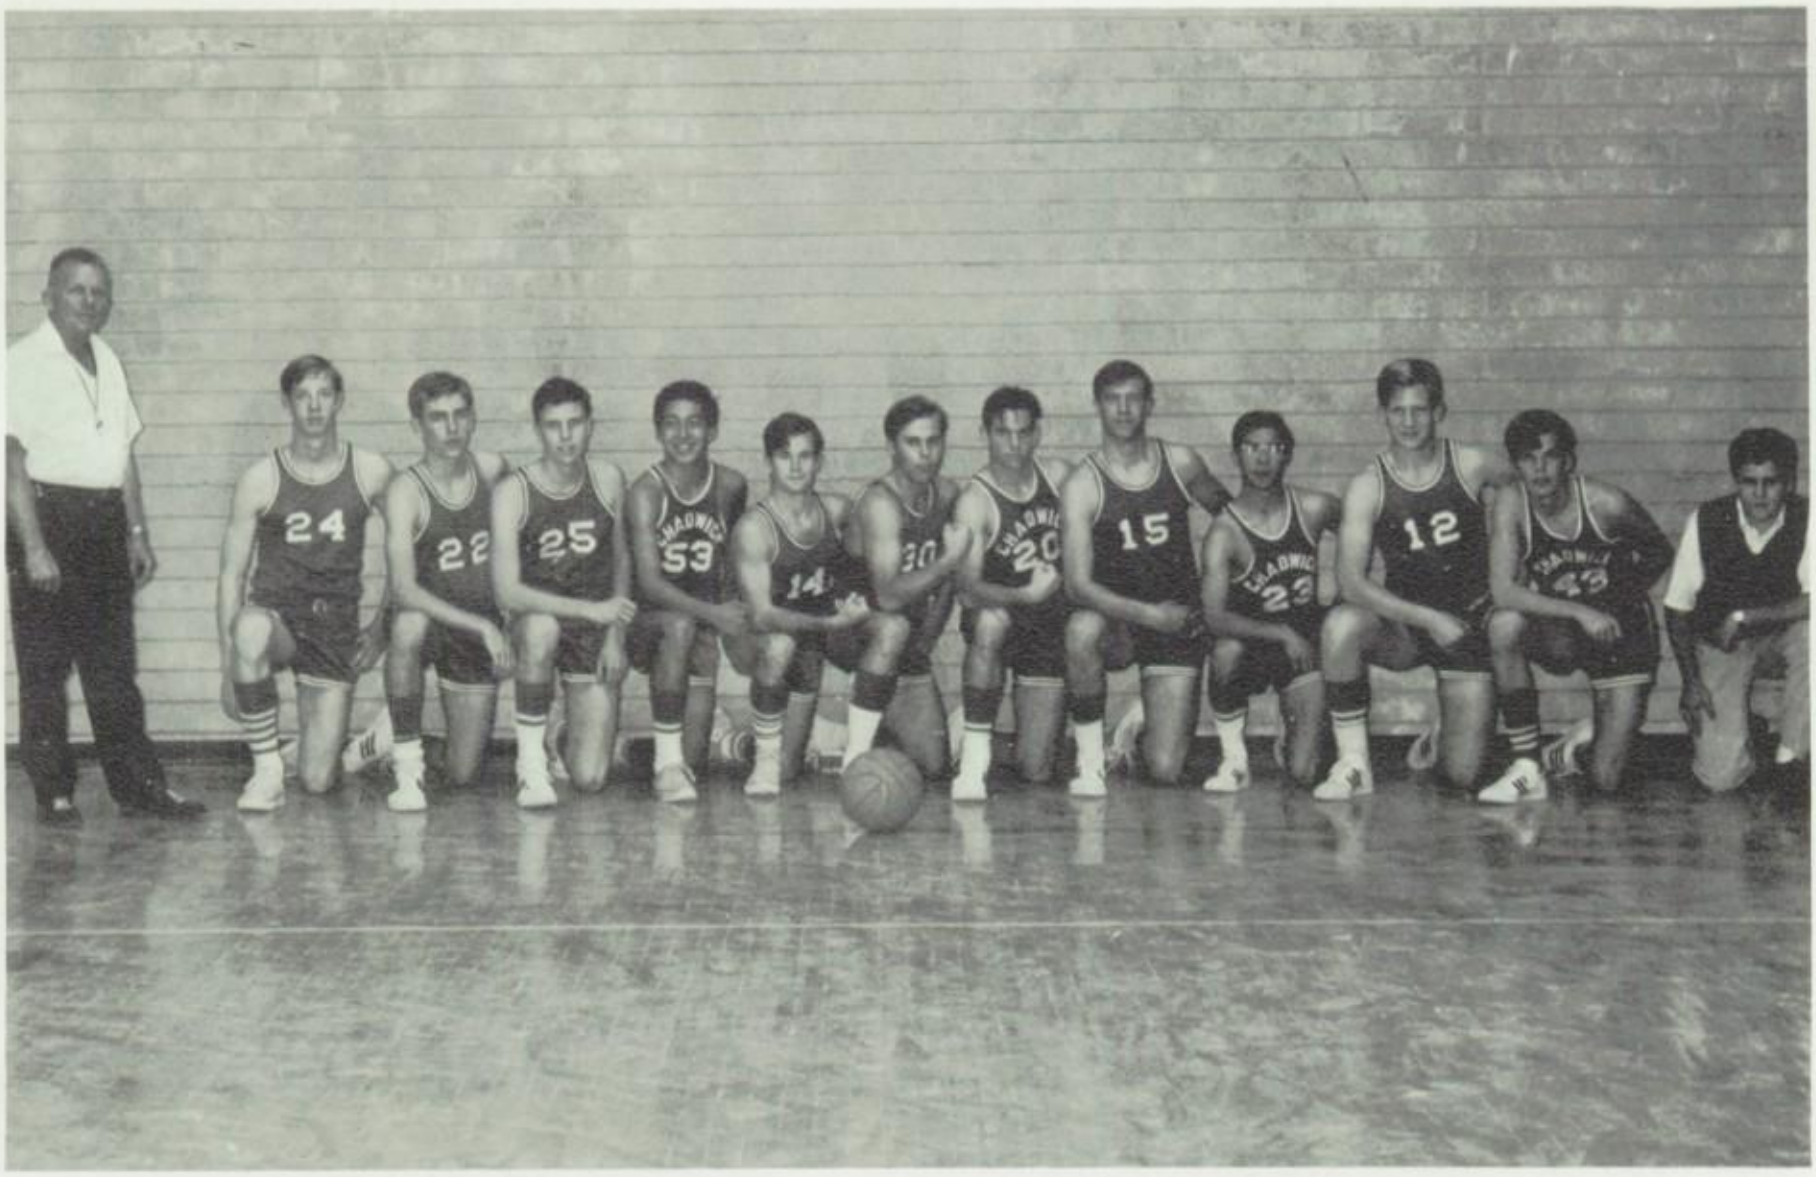
Junior Varsity Football



They walked into the gym and found it a disaster, in effect there was no gym. Yet instead of forfeiting their games, the varsity practiced outside and managed to get into shape for their league opponents.

Although the season was not very successful, the team managed to play very well, in fact nine of the games they lost were only lost by three points.

Much credit must be given to both the team and Coach Smith for what they were able to accomplish under such trying conditions.



LEFT TO RIGHT: Coach Smith, Murray Francy, Bob Schuchard, Tom Collinson, Lyman Ho, Hobby Coale, John Mahan, Rick Moore, Bob Morrison, Stan Lim, Chuck Lande, Jon Eaton, John Leanse.

Varsity Basketball

The Junior Varsity basketball team had a very successful season this year, with a record of 10-0 in league play. This perfect record secured a league championship for the Mariner squad.

The team was lead to the championship by the drive and spirit of the starting five of: Don Lee, Chris Coale, Jeff Hayes, Rick Ridder, and Bruce Sartorius.

Credit is also due to Coach Leeka under whose guidance the team played to victory.

This year's Junior Varsity basketball team has set a precedent which hopefully all Chadwick teams will follow in the future.

Mr. David Staples who previously coached a boys' swim team in the east did a good job with the girls' swim team. There were only a few girls who went out for the sport this year. Two wins this season came as a surprise because the team lost many seniors from last year. Jan Johnson, a new coach for basketball, saw the team develop into a group of which she could be proud.
